

DATS 7860 Statistical and Machine Learning for Big Data
Homework 5 (Chapter 7)

Problems below are all from Exercises 7.9 of Chapter 7 of the textbook (ISL):

1. Problem 2 (Page 322). Here you can briefly describe the shape of g in each scenario, and you don't have to draw the curves of g (but you can do that if you want to).

2. Problem 5 (Page 323). Please briefly explain your answers.

3. Problem 9 (Page 324).

- Please submit your complete R codes for this problem.

4. Problem 10 (Page 324).

- Please submit your complete R codes for this problem.
